### III. VEHICLE COVERAGE – INSURING AGREEMENT

Subject to the provisions of this policy, the state self-insurance plan provides the following coverage:

- A. Pursuant to statute, the division will pay those sums that the state, its employees, and other authorized individuals become legally obligated to pay to third parties (i.e. parties other than the state) as tort damages because of bodily injury, property damage, or other tort damages caused by a negligent act or omission of the state and resulting from use, ownership, or control of covered motor vehicles, mobile equipment, and watercraft provided that the use of the vehicle is in furtherance of the state's mission and business as defined in the state vehicle use rule.
- B. The division will bear all reasonable costs to investigate and defend the claim, and to pay any damages to third parties which are determined to be reasonable through settlement or until final judgment has been obtained or until remedies by appeal, writ, or other legal proceedings have been exhausted provided that the use of the vehicle is in furtherance of the state's mission and business as defined in the state vehicle use rule.
- C. Automatic comprehensive/collision coverage is provided for losses to vehicles leased from the Montana Department of Transportation Motor Pool in Helena provided the use is for less than 30 days and the vehicle is driven within the United States and Canada.
